COMMUNITY PRESERVATION COMMITTEE

GPCPC Project Suggestion Form

The Community Preservation Act provides funding for three core community concerns:

- Acquisition and preservation of open space
- Creation and support of community housing
- Acquisition and preservation of historic buildings and landscapes

The three core concerns provide guidelines for the use of CPA funds. Projects must meet specific legal requirements to be eligible for funding by the CPA.

Your suggestions for CPA projects are welcome. Input from the citizens for Georgetown will not only help to create new projects but also help to determine which projects are needed and wanted.
